Timah Tbk., The College of Islamic Studies (STAIN) Shaykh Abdurrahman Siddik, reclamation location of former tin mining excavations in the Merawang area, religious tourism objects of Tionghoa ethnic, Kwan Yin Goddess Temple.

On 22 September 2011, the Governor of Lemhannas RI made a visit to South Kalimantan Province, and was welcomed by regional

government officials and FKPD of South Kalimantan Province. During the stay in the South Kalimantan Province, the Governor of Lemhannas RI made a working visit to PT. Pelindo III - Trisakti and the Office of South Kalimantan Governor.

The subsequent working visit

made by the Governor of Lemhannas RI was to Bali Province on Sep 22 – 25, 2011. The Governor of Lemhannas RI made a working visit to the University of Udayana, Regional Military Command IX - Udayana and tourism sites Garuda Wisnu Kencana in Tanjung Nusa Dua, Badung Regency, Bali.

In the framework of SSDN, the Vice Governor of Lemhannas RI Lt. Gen. Moeldoko, S.I.P. made an inspection to two provinces, namely Bali and Central Sulawesi. In the province of Bali, on 19 s.d. 20 September 2011, the Vice Governor of Lemhannas RI had a meeting with the Governor of Bali and the FKPD officials of the Bali Province in the governor's meeting room. It was then continued with interviews with local media.

On Sep 22- 23, 2011, the Vice Governor of Lemhannas RI made a visit to the Central Sulawesi Province and had a meeting with the FKPD officials. He also visited the industrial area in Palu.

On September 19, 2011, the Governor of Bali Made Mangku Pastika, received a visit from Lt. Gen. Moeldoko, S.I.P., along with Chairman of the Group of SSDN PPRA XLVI of Lemhannas RI Air Vice Marshal Syahrul Ansory and Prof. DR. Miyasto, in Bali Governor's meeting room

THE NATIONAL EDUCATION AND TRAINING PROGRAM FOR BPD CADRES AND BPP HIPMI BATCH II YEAR 2011

From 19 to 23 September 2011, Lemhannas RI held an education and training program on the Strengthening of National Values in cooperation between Lemhannas RI and HIPMI. The opening of the National Training and Education program was led by the Governor of Lemhannas RI, and was attended by the Chairman of HIPMI, Vice Governor of Lemhannas RI, Secretary of the Governing Board, First Secretary, Expert Lecturers, Expert Analysts, and Expert Professionals as well as Structural Officials of Lemhannas RI in Dwi Warna Purwa Building of Lemhannas RI.

The National Education and Training program lasted for 5 days. It was filled with lectures, and panel discussions which were delivered by competent speakers. In his speech, the Governor of Lemhannas RI expressed his expectation for the participants to understand the sense of national values in order to improve capability and raise concerns regarding the actual conditions in the areas that may impact on the continuity of the life of the people and of the nation.

With its potentials and the attention given by the government in developing HIPMI, HIPMI is expected to be able to produce cadres who are tough businessmen, and can be accepted

by all levels of society. They should also be capable of creating and seizing the opportunities for economic advancement and prosperity of the people and the nation in accordance with national goals.

The Governor of Lemhannas RI was optimistic that the target for the Strengthening of national values for the HIPMI central and regional boards batch II year 2011 will be achieved, i.e, the participants will have a holistic, comprehensive, integral and systemic mindset, behaviour, actions for the national interest based on the values of Pancasila, the 1945 Constitution, the principle of the Unitary State of the Republic of Indonesia, the principle of

Unity in Diversity.

In relation to that purpose, the Governor of Lemhannas RI also hoped that the participants will be able to optimally implement what they learned in Lemhannas in their business environment and neighborhood where they develop their career in performing basic tasks and functions of the HIPMI central and regional boards, which is to develop and innovate so that the resulting products can still be sought after and loved by all levels of Indonesian people. Thus, the economic development in Indonesia remain competitive in the arena of global competition.

STRENGTHENING ON NATIONAL RESILIENCE IN THE REGIONS AND NATIONAL AND REGIONAL STRATEGIC ISSUES

Lemhannas RI organized a workshop on the Strengthening of National Resilience Measurement System and Public Policy Simulations on September 27, 2011 in Dwi Warna Purwa Building of Lemhannas RI. The event was opened by the Governor of Lemhannas RI Prof. Dr. Ir. Budi Susilo Soepandji, D.E.A., and was attended by the Vice Governor of Lemhannas RI, Secretary of the Governing Board, First Secretary, Deputies, Expert Lecturers, Expert Analysts, and Expert Professionals of Lemhannas RI. Also present were several representatives from ministries and Non-Ministerial Government Institutions, head of Regional Development Planning Board (Bappeda), Head of the Regional Statistics Agency (BPS), Chairman of LPPM from the Diponegoro University, University of North Sumatra, Cendrawasih University, Lambung Mangkurat University, and Hasanuddin University.

In this workshop, the National Resilience Measurement System and Public Policy Simulation (indicators, variables, and model for the variable linkage) as well as the data being used were updated. Given the rapid strategic environment,

the updating is done periodically in order to develop dynamic systems that require Time Series data.

The Governor of Lemhannas RI in his speech conveyed that currently we still face problems related to the relatively high unemployment, poverty and wealth inequality. Although the rates tend to decrease compared with a year earlier, those problems can still cause interference in our national resilience, both at the aggregate and provincial level. Therefore, the acceleration for the handling of those issues requires a synergy between policies and strategies, between the central and regional governments, as well as synergy among the regions. In this activity, identification and analysis of policies that need to be synergized will be made, so that the obstacles caused by the inappropriate policies and synergy can be eliminated.

Furthermore, the Governor of Lemhannas RI conveyed that with the carrying out of this activity, inputs and corrections from the participants were expected in order to perfect the system that has been built.

INTELLECTUAL EXERCISE OF THE GOVERNING BOARD OF LEMHANNAS RI

The Governing Board of Lemhannas RI held an Intellectual Exercise on September 30, 2011 on the 3rd Floor of West Wing, Astagatra Building, Lemhannas RI. The Governor of Lemhannas RI Prof. Dr. Ir. Budi Susilo Soepandji, D.E.A. as the coordinator of the Governing Board of Lemhannas RI, opened the intellectual exercise which was attended by the Vice Governor of Lemhannas RI, the Secretary and members of the Governing Board, First Secretary, Deputies, Expert Lecturers, Expert Analysts, and Expert Professionals.

The Intellectual Exercise activity of the Governing Board was held with the purpose to foster academic life and hone the knowledge and skills of the Expert Lecturers, Expert Analysts, and Expert Professionals based on the competence and dynamics of the development of strategic environment, according to the conditions and challenges being faced. It was also one of the efforts to make Lemhannas RI as a Center of Excellence within the region.

The Governor of Lemhannas RI in his speech conveyed that the globalization era, which is marked by the rapid advance of science and technology, has made the boundaries between states become unclear. The advances in information technology and transportation do not only affect the life of the people and of the nation, but also the security and public order. The national resilience is also

culture that puts corruption as a common enemy.

The next presentation was given by a lecturer from the University of Gajah Mada Prof. Dr. Irwan Abdullah with the topic “Revitalization of Indonesian culture in the Framework of Legal Culture Strengthening”. He conveyed that there are four root causes of violations of law; first, weak examples in legal affairs, second, widespread distrust in the legal process and decisions; third, shifting hegemony from the State to the media; fourth, rampant commodification of law. Furthermore, he also elaborated on the cultural potential in solving legal problems through four strategies; first, restructuring and refunctioning of cultural institution that encourages the strengthening of law; second, revamping of the legal and judicial systems that are transparent and are oriented to the public interest; third, empowerment of the state in upholding the supremacy of law over serious threats; fourth, legal accountability that requires legal disclosure in serving the needs of the public in legal issues.

With the presence of the two resource persons, the pre-seminar roundtable discussion is expected to be able to finalize the concept that will be discussed on the seminar at the end of the course.

RANK PROMOTION REPORTING OF THE MEMBERS OF LEMHANNAS RI

Head of General Affairs Bureau receives a reporting of rank promotion of the military and civil servant personnel in the lobby of Astagatra building, Lemhannas RI

On October 3, 2011, the Head of General Affairs Bureau of the First Secretariat of Lemhannas RI received a reporting of rank promotion of the military and civil servant personnels at the Lobby of Astagatra building of Lemhannas RI. There is a total of 37 military and civil servant personnels who received a one-level higher rank promotion. The rank promotion is an award of State and Government of the Republic of Indonesia given to those who have met certain requirements.

In the career development system of the military and civil servant personnels, ranks are directly related to the positions entrusted to them. Therefore, any assignment of office, which it has been entrusted to any military and civil servant personnels, means an authority and responsibility that must be fulfilled in the best way possible. Even though the promotion is the right of every military and civil servant

personnel, it is more of a reward from the leaders to the personnels for their dedication and responsibility in carrying out job duties entrusted to them. Thus, this promotion carries moral consequences that must be more realized by any military and civil servant personnels regarding their obligations for the office tasks entrusted to them.

In his speech, the Head of General Affairs Bureau of the First Secretariat of the Lemhannas RI conveyed that with this rank promotion, the military and civil servant personnels are expected to further improve their performance and responsibility in accordance with the rank assigned to them by demonstrating outstanding achievement, dedication and loyalty. The rank promotion should give greater benefit to Lemhannas RI, especially for the nation and the Republic of Indonesia.

VERIFICATION BY NATIONAL BUREAUCRACY REFORM IMPLEMENTATION TECHNICAL TEAM (UPRBN) IN LEMHANNAS RI

The Governor of Lemhannas RI Prof. Dr. Ir. Budi Susilo Soepandji, D.E.A. received the National Bureaucracy Reform Implementation Technical Team (UPRBN) on October 5, 2011 in the governor's guest-room. The visit was made as part of field verification following the desk assessment desk for the Bureaucratic Reform of Lemhannas RI. Present at the occasion were the Secretary of the Advisory Board, Principal Secretary, The Deputy, Inspector, Director, and Head of the Bureau of National Resilience Institute of RI.

The UPRBN Team was chaired by the Deputy Assistant for Program Monitoring and Evaluation of the Ministry of Administrative Reform and Bureaucratic Reform Center Norman Jafar, and was accompanied by academics from the University of Indonesia. The purpose of the UPRBN team is to check the implementation of Bureaucratic Reform in Lemhannas RI, and later evaluate the feasibility of remuneration for Lemhannas RI.

The event was later continued in the Meeting Room Nusantara I with an opening speech from the Governor of Lemhannas RI. The Governor conveyed that the institutional reposition has been implemented since 2001, was continued with the revitalization of the institution in 2006

as stated in the Presidential Decree Number 67 of 2006. Over its journey, Lemhannas RI also has won numerous achievements, namely the unqualified opinion from the State Audit Agency (BPK) for four consecutive times for fiscal year 2007 to 2010, award for the Presentation of Financial Statements According to the Highest Standards of Government Accounting and Finance of the Ministry of Finance consecutively for state financial management from the fiscal year 2007 to 2010. It also ranked 15th out of 74 institutions in 2007, and CC rating consecutively from 2008 to 2010 for the Government Performance Accountability Report from the Ministry of State Apparatus Empowerment and Bureaucratic Reform, and ranked 2nd out of 167 ministries/institutions in Jakarta for the Preparation, Presentation and Management of State Property, and belonged the top 10 for the Level of the Use of Domestic Components from the Ministry of Home Affairs.

With all the Lemhannas RI's achievements and roles, the Governor of Lemhannas RI conveyed that all the employees of Lemhannas RI states have been ready to implement Bureaucratic Reform, and have a good working system even though there are some issues that still need improvement and suggestions from the UPRBN team.

SPECIAL DISCUSSION OF LEMHANNAS RI'S GOVERNING BOARD

The Governing Board of Lemhannas RI held a special discussion in the meeting room of the Governing Board on August 5, 2011 last. The Governor of Lemhannas RI Prof. Dr. Ir. Budi Susilo Soepandji, D.E.A., acted as the Coordinator of the Governing Board, led a discussion that was attended by members of the Governing Board, namely the Coordinating Minister for People's Welfare R. Agung Laksono, the Chairman of the Indonesian Chamber of Commerce Suryo Bambang Sulisto and Prof. Dr. Juwono Sudarsono. The meeting discussed some fundamental issues; first, Continuing Bureaucratic Reform and Revitalization of Lemhannas RI; second, Accelerating Lemhannas RI towards World Class Institution; third, the Conception of Stability in an Era of Democracy.

In the special discussion, the Governor of Lemhannas RI conveyed that the essence of the 11 principles of Lemhannas revitalization have been accommodated in the Presidential Regulation. 67 dated June 13, 2006 on Lemhannas RI. Given the condition and challenges of the future strategic environment dynamics, the 11 principles of Lemhannas RI revitalization need improvements which include vertical and horizontal synchronization of the regulations. In this case, the improvements can be made through institutional strengthening, procedure efficiency, human resources quality enhancement, efficient, effective and productive bureaucracy, and acceleration of Lemhannas RI towards a World Class Institution.

Remuneration/performance benefits was also discussed. In terms of Lemhannas RI's acceleration towards a World Class Institution, the Governor of Lemhannas RI described the three preparation made by Lemhannas, namely, physical infrastructure, non-physical readiness, and Key Performance Indicator (KIP).

Furthermore, the concept of stability in the democratic era was also discussing using the following approaches; first, Pancasila, the 1945 Constitution, the Unitary State of the Republic of Indonesia, the Unity in Diversity principle; second, accommodating global aspirations (the UN Charter); third, accommodating the aspirations of regional (ASEAN Charter); fourth, accommodating local wisdom and national culture; fifth, accommodating the demands and challenges of the strategic environment dynamics; sixth, accommodating aspirations of expertise (foundation, projection and contributing to the manifestation). Those six approaches must be fully supported by all the pillars of democracy, including the Executive, Legislative, Judiciary, and the Mass Media.

At the end of his presentation, the Governor of Lemhannas RI as the Coordinator of the Governing Board conveyed that the conception of stability in an era of democracy will be formulated and communicated with all national components, among others, through national seminars.

GOVERNOR'S AUDIENCE WITH YAYASAN JATI DIRI BANGSA

The Governor of Lemhannas RI Prof. Dr. Ir. Budi Susilo Soepandji, D.E.A. received a visit from the Chairman of Jati Diri Bangsa Foundation (YDJB) along with the board members on October 11, 2011 in Nusantara Room I of Lemhannas RI.

The Governor of Lemhannas RI, accompanied by Vice Governor, First Secretary, Deputy for the Education for National-Level Leaders, Acting Deputy for Strategic Study, and Acting Deputy for the Strengthening of National Values, and Head of Public Relations Bureau of Lemhannas RI received an audience of the Chairman of YDJB Brigadier General (Ret.) Soemarno Soedarsono, and the board members Gen. (Ret.) Surjadi Soedirdja, Lt. Gen. (Ret.) Sayidiman S. , Lt. Gen. (Ret.) Moetajib, Lt. Gen. (Ret.) Kiki Syahnakri, Drs. Hana Djumhana B, M. Psi, Maj. Gen. (Ret.) St. Budiman.

The YJDB is an independent association of society members across ethnic, religious, racial, cultural and interest groups that is concerned about the situation, conditions and problems of the nation. Its vision is to rebuild the identity and character of the nation so that the national identity development can be strengthened in accordance with the values of Pancasila. The purpose of the YJDB visit was to have

a discussion with Lemhannas RI as a strategic institution in building the national character.

In addressing national problems and national character issues, the YJDB has developed a concept of national resilience that can also be implemented for individual and family resilience. On the occasion, a character building, which is the result of internalization of the values of Pancasila, was also discussed. Therefore, character education should have the right directions and methods. It cannot be done in a hurry. The YJDB Chairman hoped that Lemhannas RI could be a role model in producing leaders with great characters.

The Vice Governor of Lemhan-

nas RI Lt. Gen. Moeldoko, S.I.P. also expressed his view that democracy in Indonesia is currently facing two conditions; first, the conditions that are still not stable; and second, there are still groups that do not understand the essence of democracy.

Lemhannas RI is currently studying the problems of national character building through the Deputy for the Strengthening of National Values. It is also expected that in the year 2012 teachers from the regions can also be invited for national character building program and be given modern and attractive methods without any doctrines.
